## NEW FOR 2020-2021 Promoting Health and Well-being and linking to the New RSE Guidance

<b>Linked to Key Indicators 1, 2 and 4</b>	<p style="text-align: center;"><b>*Healthy Hearts Healthy Minds KS1 and KS2</b></p> <p>In response to the rise in anxiety amongst children we have put together this programme to support your pupils. This will support children with exercises which helps them with their thoughts and feelings. Children will take part in mindfulness sessions and relaxation session through Yoga and Pilates. They will also have some fun taking part in Zumba sessions. With the ability to relax and with an increased awareness of how they are feeling, children should experience less emotional reactivity and a greater ability to listen and communicate more thoughtfully and effectively. This programme links to the RSE health education guidance outcomes.</p>	<b>£325 one day course or £650 6 weeks 2 hour sessions</b>
<b>Linked to Key Indicators 1, 2 and 4</b>	<p style="text-align: center;"><b>*Healthy Movers KS2</b></p> <p>In response to the new Governments (RSE) and Health Education Statutory guidance 2019 we have developed this programme. Children will learn through a fun and interactive way what constitutes a healthy diet. How they can plan and prepare a range of healthy meals and understand the characteristics of a poor diet and risks associated with unhealthy eating. This will be connected with the importance of building regular exercise into daily and weekly routines with children encouraged through this programme to participate and design their own daily physical activity programmes.</p>	<b>£325 one day course or £650 6 weeks 2 hour sessions</b>

<p><b>Linked to Key Indicators 2 and 4</b></p>	<p><b>*Wild Tribe First Aid</b></p> <p>Our First Aid programme has been written in response to the new Governments (RSE) and Health Education Statutory guidance 2019.</p> <p><i>'Today's children and young people are growing up in an increasingly complex world... In this environment, children and young people need to know how to be safe and healthy...'</i> (pg4 DfE RSE and Health Education Guidance)</p> <p>The one day course will focus on ensuring pupils on:</p> <ul style="list-style-type: none"> <li>• How to make a clear and efficient call to emergency services if necessary</li> <li>• Concepts of basic first-aid, for example dealing with common injuries, including head injuries</li> </ul> <p>They will learn the basics of first aid in an outdoor setting and how to administer initial first aid. The six week course will build on the one day course and children will learn: what first aid is, how to assess for danger and risk, the ABCs of first aid, how to administer first aid and how to use their first aid skills in a range of scenarios. They will receive a certificate of attendance on completion of the courses</p>	<p><b>£325 one day course or £875 6 weeks 2 hour sessions</b></p>

## PE and School Sport

**Key Indicators** - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
