

Wild Tribe Outdoor Learning

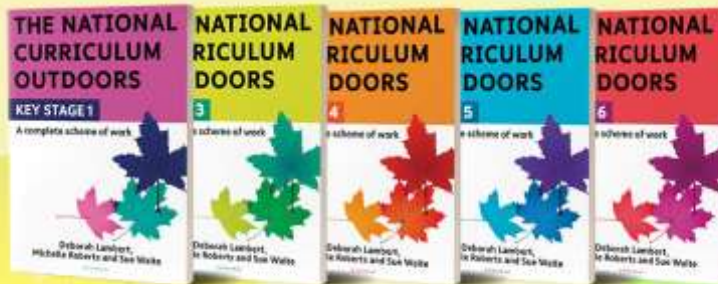

The National Curriculum Outdoors

A series of 5 Books and Inset training

- Gain an insight into the books and how they were written with an inset training day delivered by co-authors Michelle or Debbie.
- Look at how you can embed outdoor learning whole school, how you can use the books to support you in the development of an outdoor learning curriculum provision map.
- Inset will support you in how to up skill your staff in outdoor learning skills and how you can effectively connect them to the curriculum.

"One of the key challenges facing primary teachers is knowing what to teach outside and how. These books positively address both matters."
-Former headteacher and education consultant specialising in outdoor learning, @CreativeSTAR, Juliet Robertson
